

THE VALUE OF GREEN

PART OF AGRASIA BV

Empower Biomass is a trading company that supplies biomass and organic waste streams like agro and forestry residues. These materials mostly originate from Asian countries. Biomass will be essential in the progress towards a bio based economy.

For energy and heat
4450 KCal/Kg
Moisture 35%
Melaleuca: FSC Certified
Rubber: Agro wood

**MELALEUCA/RUBBER
WOOD CHIP**

For energy and heat
4400 KCal/Kg
Moisture: 15%
Ash: 3 %

**PALM KERNEL SHELLS
(PKS)**

For activated carbon etc.
Ash: 1,7%
Moisture: 12%
Fixed Carbon: 18%

COCONUT SHELLS

For paper pulp
